

Track

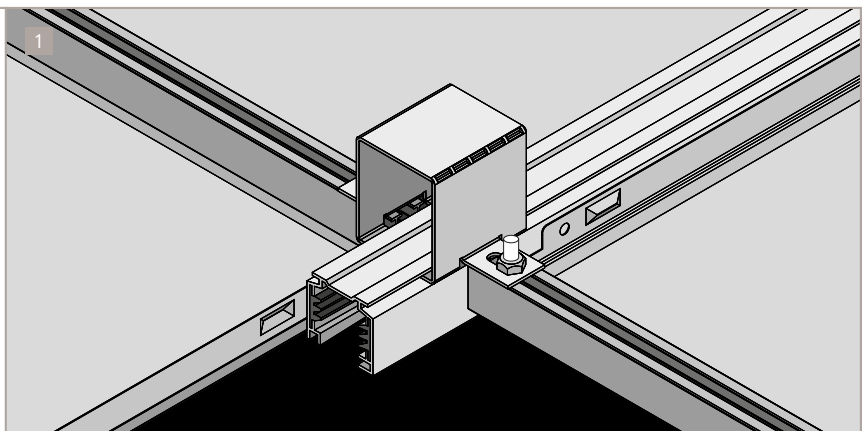

Flexible light

Track offers the possibility to respond easily and rapidly to modification demands in lighting. Track profile is recessed mounted in Kreon ceiling and accept all on-Track Kreon tools of light products: Diapason, Erubo and Xharon.

Flexibel licht

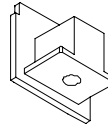

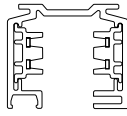

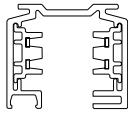

Track biedt de mogelijkheid om eenvoudig en snel te kunnen inspelen op wisselende projecten en verlichtingsnaden. Het Track profiel wordt verzonken in het Kreon plafond ingebouwd. Track is compatibel met de Kreon tools of light producten Diapason, Erubo en Xharon.

- 1 Integration of Track profile in Kreon Ceiling
- 2 Diapason on Track
- 3 Erubo on Track
- 4 Xharon on Track
