<p><b>1 notifications</b></p>				

<p><b>2 installation</b></p>	 <p>can only be installed on standard octagonal conduit box size 4</p>	 <p>use plasterkit that fits on the junction-box</p>		
<p><b>3 installation</b></p>	 <p>1. screw plasterkit on the octagonal junction-box size 4</p>	 <p>2. pull wire through hole and finish with plaster</p>	 <p>3. drill 4 holes (diam. 1/4") according to the drawing in step 4 and insert plugs</p>	 <p>4. drill pattern with the junction-box centered</p>
<p><b>4 installation</b></p>	 <p>5. fix brackets</p>	 <p>6. remove big bolts of the pendant system and release the others for 3/4 of their length</p>	 <p>7. slide bolts of pendants into keyhole slots and fasten all bolts</p>	 <p>8. use 4x hexag. screws to secure pendants</p>

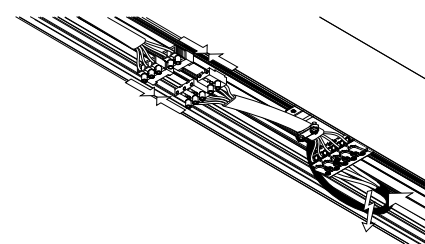

## 5 installation

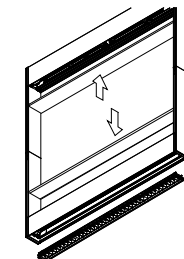

9. slide in keyhole slot to fix against ceiling

10. use set screws (4x) to adjust height

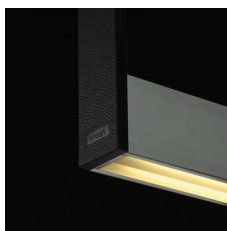

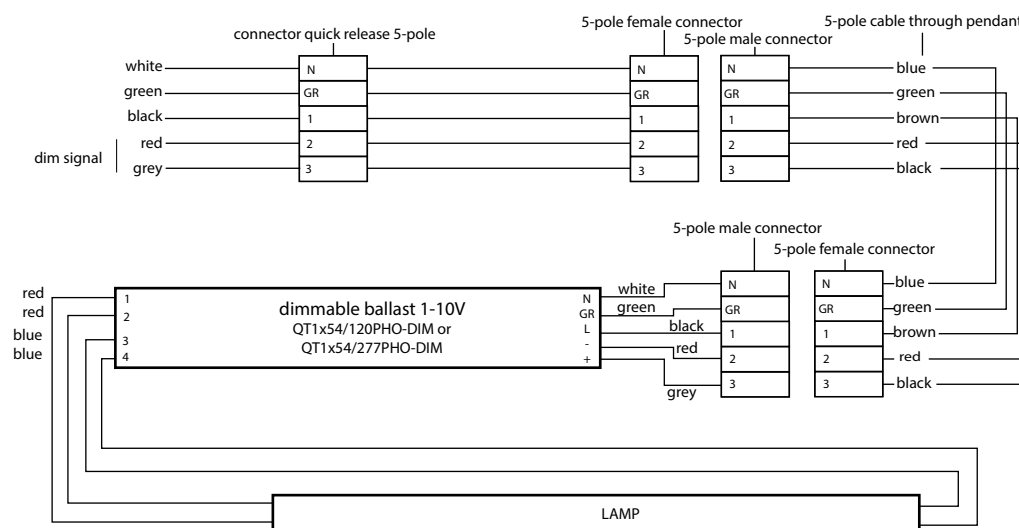

11. connect powersupply and dim-signal, connect 5-pole connectors

12. after connection, replace covers and louvre so all wiring and connections are enclosed

## 6 connection

The luminaire can only be used with Kreon reflectors.

This installation manual might not cover all details or variations. When additional information is required, please contact your local representative, or one of the Kreon offices.
