

kreon rei

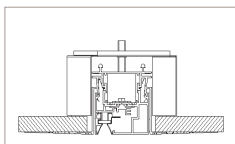

kreon rei

kreon rei, a made-to-measure, slim, recessed- or surface mounted profile system will safeguard the aesthetic appearance of the interior as well as the functional demands from its inhabitants.

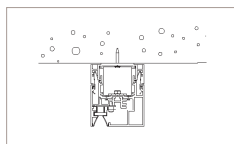

Applications	<p>kreon rei profile system is a recessed or surface mounted ceiling application</p> <p>kreon rei wallwash optical system is developed to provide a homogenous continuous luminance on vertical surfaces and is the perfect solution for galleries, residential or retail applications where vertical plane illuminance is a prerequisite of the lighting planning.</p> <p>kreon rei downlight provides continuous controlled lighting in an optimised symmetric beam of just 55° to focus light over task areas or where an increased ambient level of lighting is required.</p>
Dimensions	L x 2 3/8" (made-to-measure length) aperture: 3/4"
Function	wallwasher, downlight
Lamp source	Citizen LED
max. Wattage	16W/ft - 23 5/8"W/ft
Light output	1260 lm/ft - 23 5/8"lm/ft
color temperature & color rendering	3000K / 3500K CRI ≥ 80
color	black - white
Dimming	profile: 0-10V or DALI dimmable
ETL / UL	Tested and approved by either ETL or UL for installation in the US and Canada.
